Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Notice for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

This application is subject to a secrecy order for 18 months from the date of its publication in the U.S. Patent Office. If the application is published in the U.S. Patent Office, the applicant must file a statement of secrecy with the application. If the application is not published in the U.S. Patent Office, the applicant must file a statement of secrecy with the application. If the application is published in the U.S. Patent Office and the applicant files a statement of secrecy, the application will be subject to a secrecy order for 18 months from the date of its publication in the U.S. Patent Office. If the application is published in the U.S. Patent Office and the applicant does not file a statement of secrecy, the application will be subject to a secrecy order for 18 months from the date of its publication in the U.S. Patent Office. If the application is not published in the U.S. Patent Office and the applicant files a statement of secrecy, the application will be subject to a secrecy order for 18 months from the date of its filing. If the application is not published in the U.S. Patent Office and the applicant does not file a statement of secrecy, the application will be subject to a secrecy order for 18 months from the date of its filing.
